DRY WINES

Sunshine (White) – A dry white wine made from a blend of cold hardy grapes grown here in the Flying Otter Vineyard, including Frontenac Gris, La Crosse, La Crescent, St Pepin, and Frontenac Blanc. Fresh, crisp, and all Michigan. (\$16.95) RS 0, Alc 12.2

Chancellor (Red) - This dry red has plum and berry flavors with a hint of caramel. A favorite with red meats and tomato based pastas. (\$10.95) RS 0, Alc 10.0

Marquette (Red)– An un-oaked dry red made from our own Marquette grapes. Marquette is a cold climate hardy relative of Pinot Noir, and features dark cherry, berry, and spice aromas and flavors. (\$14.95) RS 0, Alc 13.6

Curmudgeon's Red (Red 2015) – A blend of Frontenac, Marquette, and Chancellor, lightly oaked. Mid-palette cherry fruitiness with a dark red cherry and date fruit finish. (\$16.95) RS 0, Alc 12.8

Marquette Reserve (Red) – Our newest bottling of our cold climate hardy grape, Marquette. This Proprietor's Reserve was aged in oak barrels for over 3 years. (\$28.95) RS 0, Alc 14.6

SEMI-SWEET TO SWEET WINES

Wild Thing (White)– A semi-sweet white wine made from Frontenac Gris and Frontenac Blanc. It was fermented with indigenous yeasts. ALL Flying Otter; yeasts, grapes, everything. (\$15.95) RS 1.6, Alc 13.1

Northern Lights (White)- Made from Chardonee and Traminette grapes grown here in Michigan, this semi-sweet blend is a crisp, aromatic complement to any meal, or to sip and savor on a warm afternoon. (\$16.95) RS 1.8, Alc 11.6

Riesling (White)– Our medium-sweet Riesling is a great representation of this popular German white wine made from Lake Michigan Shore grapes. Presenting a pleasant floral nose with a bold varietal flavor and a wonderful citrus finish, this wine is sure to be a crowd favorite at your next gathering. (\$15.95) RS 2.0, Alc 11.2

Frontenac Gris (2017) (White) –(Release 4/27/19) This is The Flying Otter's first production of an "orange" wine. An orange wine is the result of fermenting white grapes using a red wine making process. Fermentation occurs with the skins and seeds. The result is a beautiful orange tinted wine with notable tannins and acidity, balanced by a pleasant sweetness. The crispness and sweetness should pair well with most foods. (\$16.95) RS 6.0, Alc 11.8

Bazinga (Red) – Our very first sweet red wine, made from our estate grown Marquette grapes. We like it chilled, but it could also be served at room temperature. Great with spicy foods, or to sip all by itself. Also a good starter for a wine cooler. (\$14.95) RS 4.0, Alc 13.6

Sexy Devil (Rosé)– A diabolical blend of red and white, seductively sweet. Serve cold to bring out the white side, and warm to bring out the red. Pairs well with spicy foods, naturally. (\$16.95) RS 4.0, Alc 12.2

St. Pepin (White) – From grapes grown here in the Flying Otter Vineyard, this sweet white wine has a rich aroma favoring fruits like apples and pears, and muskat-like floral characteristics. (\$16.95) RS 5.0, Alc 11.8

Brianna (White) – A sweet white wine made from our estate grown grapes. Brianna is a cold climate hardy grape with some native American grapes in its parentage. The wine offers fruit forward flavor with tropical notes of grapefruit, pineapple, and even banana. (\$14.95) RS 5.5, Alc 11.0
